COMMODORE 64 VERSION
by Chuck Benton

LOADING INSTRUCTIONS
Disk

1. Turn on the disk drive, then the monitor and computer.
2. Insert the disk, label side up, into the drive.
3. When the screen says "Ready", type ◄LOAD"FROGGER",8,1► and press ◄RETURN►.
4. The computer will search for Frogger, then load it.
5. You will be asked to define movement keys and playing speed. You must respond to the prompts even if you will use a joystick.
6. If you wish to use a joystick, plug it into Port #2.
7. When the game appears, press ◄F1► to start game.

Cassette

1. Be sure that the cassette player is plugged into an outlet and into the computer.
2. Turn on the monitor and computer.
3. Make certain the tape is rewound. Insert the tape into the cassette player.
4. When the screen says "Ready", type ◄LOAD"FROGGER"1,1► and press ◄RETURN►.
5. When the computer tells you to, press the ◄PLAY► button on the cassette player.
6. The computer will search for Frogger; when it says "Found Frogger," press ◄C►.
7. The computer will then take about 6½ minutes to load the game.
8. You will be asked to define movement keys and playing speed. You must respond to the prompts even if you will use a joystick.
9. If you wish to use a joystick, plug it into Port #2.
10. When the game appears, press ◄F1► to start game.
